The Governor Certifies Sites Reservoir Under Senate Bill 149

The Sites Reservoir Project has been certified as an infrastructure project under Senate Bill No. 149 (SB 149). Signed by Governor Newsom earlier this year, SB 149 allows eligible infrastructure projects related to energy, semiconductors, transportation, and water to receive expedited judicial review under the California Environmental Quality Act (CEQA). The Sites Project Authority as the lead agency under CEQA is required to issue a public notice of the certification using the language below:

THE APPLICANT HAS ELECTED TO PROCEED UNDER CHAPTER 7 (COMMENCING WITH SECTION 21189.80) OF DIVISION 13 OF THE PUBLIC RESOURCES CODE, WHICH PROVIDES, AMONG OTHER THINGS, THAT ANY JUDICIAL ACTION CHALLENGING THE CERTIFICATION OF THE ENVIRONMENTAL IMPACT REPORT (EIR) OR THE APPROVAL OF THE PROJECT DESCRIBED IN THE EIR IS SUBJECT TO THE PROCEDURES SET FORTH IN SECTIONS 21189.85 AND 21189.86 OF THE PUBLIC RESOURCES CODE. A COPY OF CHAPTER 7 (COMMENCING WITH SECTION 21189.80) OF DIVISION 13 OF THE PUBLIC RESOURCES CODE IS INCLUDED BELOW.

To view a copy of Chapter 7 of Division 13 of the Public Resources Code, visit the California Legislative Information website at <https://leginfo.ca.gov>.
