State Parks Addresses Discriminatory Names and Inequities

Secretary for Natural Resources Wade Crowfoot, State Parks Director Armando Quintero and Department of Transportation Director Toks Omishakin announced a series of actions to identify and redress discriminatory names of features attached to the state parks and transportation systems.

The move comes in the wake of a national conversation about the names of geographic features and builds upon Governor Gavin Newsom's work to support equity, inclusion and accountability throughout the state to better reflect our values.
