November 6, 2015

In accordance with Government Code Section §29064, also known as the County Budget Act, the Boards of Supervisors of the State of California must approve a recommended budget, with all revisions it deems necessary, by June 30 of each year. In order to meet this requirement the Glenn County Board of Supervisors provided direction to its Director of Finance at their regular meeting on February 17, 2015.

Using baseline budget appropriations for salaries and benefits, A-87 activities, County Facilities and Data Processing allocations the Departments were presented budget work papers with instruction to prepare balanced budgets for fiscal year 2015-2016 for each of their departments. Those work papers were returned to the Department of Finance ("DOF") in mid-April, where they were consolidated into a single document reflecting the Department Heads' proposals. Using revenue and appropriation estimates provided by both the DOF and the Department Heads, there was a projected General Fund shortfall of \$3,574,739 that included \$957,382 of enhancements.

The Glenn County Board of Supervisors, through a collaborative effort with the Departments, were able to make adjustments to the submitted budget requests in order to present the citizens of Glenn County with a balanced 2016 budget. The Board adopted the attached budget by Resolution 2015-70 on the 29<sup>th</sup> of September 2015.

Some items of note within this year's budget:

- \$9,053,158 for Public Safety
- \$241,450 for Capital Facility Maintenance
- \$148,443 for Libraries
- \$100,000 Reduction in County Facilities Maintenance Costs
- \$70,000 for Site Joint Powers Authority
- \$30,000 restoration of Flood Control Maintenance Funds
- \$95,773 Reduction in General Liability & Work Comp Premiums

Sincerely,

  
John K. Viegas, Chairman  
Glenn County Board of Supervisors

BOARD OF SUPERVISORS, GLENN COUNTY, CALIFORNIA

**AB 8 PROPERTY TAX ALLOCATION  
FISCAL YEAR 2015-2016  
\$28,173,335**

A major source of general purpose revenues for Schools, special districts, Cities and Counties is the Ad Valorem Property tax. **AB 8 Property Tax Allocation** as shown above illustrates how the property taxes collected in Glenn County are initially allocated among those agencies eligible to receive tax monies. The County General Fund (20%), Cities (5%), and Special Districts (5%) receive a total of 30% of the tax dollar. In contrast, the Schools receive 70%; 55% through direct allocation, and another 15% through the Educational Revenue Augmentation Fund (ERAF).

ERAF is further allocated under SB 1096, which allocates ERAF amounts to the Vehicle License Fee Property Tax Compensation Fund. These amounts are distributed to the cities and County to make up for losses in VLF backfill (the VLF for Property Tax Swap.)

# COUNTY OF GLENN BUDGET CHARTS

The chart above, **BUDGET REQUIREMENTS BY CATEGORY** indicates the percent of the total and the amount for each of the functional areas reported in the budget. **Public Protection and Safety** accounts for 23%, and includes the Sheriff's Department, Jail, District Attorney, and Probation. **Public Assistance** at 29% includes Social Services Administration, CalWorks Assistance, Foster Care Assistance, In-Home Supportive Services, Community Action Division of the Health & Human Services Agency and the Veteran's Service Officer. **Health and Sanitation** includes Health, Mental Health, Child Health, and the Drug Court for 19% of the budget. **Public Ways and Facilities** at 17% includes the Public Works Department and Street Lighting. **General Government** at 7% represents support services departments such as the Department of Finance, Assessor, County Clerk, Board of Supervisors, and Building Maintenance. This chart refers to both Schedule 2 (Column 8) and Schedule 8 (Column 5) less Operating Transfers Out, which have been excluded.

## COUNTY ACTIVITY 2006 THROUGH 2016

In 2006/2007 Glenn County's total revenues and appropriations were \$64 million. The general fund activity was \$13 million, or 21% of the total and funds restricted for specific purposes totaled \$51 million, or 79% of our efforts.

Since 2006/2007 our activity has increased 132%. Total estimated revenues and appropriations now exceed \$85 million. There is a decrease in the proportion of general fund activity to 11%, offset by an increase in restricted special purpose activity to 89%. Even though the funding levels for both general purpose and restricted purpose activities has increased over time, the restricted purpose funding outpaces general purpose funding, as we increase our participation in programs funded by State and Federal sources.

The 2015/2016 budget is 9% larger than the previous year. This reflects an increase in Restricted Fund availability due to the current state of the economy at the local, State and Federal levels.

**GENERAL FUND BUDGET REQUIREMENTS  
FISCAL YEAR 2015-2016  
\$20,655,066**

**General Fund Budget Requirements** presents a total of \$20,655,066. **Public Protection and Safety** require the largest amount of General Fund dollars at 64%. The second largest at 29% is for **General Government**, which includes:

- Assessor
- Board of Supervisors
- County Clerk
- County Counsel
- Department of Finance
- Elections
- Facilities Maintenance
- Personnel

General Fund requirements for **Education**, **Public Assistance** and **Contingency** are 2% each; **Health and Sanitation** amounts to 1% and **Debt Service** requirements are less than 1%.

**SOURCES OF FINANCING  
FISCAL YEAR 2015-2016  
\$85,740,000**

This chart, **SOURCES OF FINANCING**, presents the sources of funding to finance the budget. The single largest revenue source for the County Budget is **Intergovernmental Revenue**. The County receives these revenues from State and Federal Agencies and most have specific requirements for how the funds may be spent. For example, over \$13 million is mandated for Health programs; \$22 million for Public Assistance; \$9 million for Public Works; and \$6 million for Public Protection programs. Intergovernmental Revenue represents 62% of the total revenue in the budget. The next largest category is **Charges for Services** which amounts to 14% of the total. **Taxes**, including Property and Sales Taxes is 12%, followed by the remaining categories of **Fund Balance** for 5%, **Miscellaneous Revenues** for 4%, **Fines, Forfeitures and Penalties** for 2%, **Licenses and Permits** for 1%, and **Use of Money and Property**, at less than 1%.

**SOURCES OF GENERAL PURPOSE REVENUE  
FISCAL YEAR 2015-2016  
\$17,675,816**

**SOURCES OF GENERAL PURPOSE REVENUE** provides information regarding financing for County operations. These revenues are not collected in direct response to services provided. For example, revenue from issuance of building permits and marriage licenses are categorized as program revenue and are shown within the operating departments. Non-program or General-purpose revenue includes countywide property taxes as well as intergovernmental revenues that come to the County without restrictions as to specific program use.

The single largest source is **Taxes**, representing 41%, and includes property and sales taxes. The second largest revenue source is the **Vehicle License Fee (VLF) Adjustment Amount**. At 18%, this presents the Property Tax for VLF swap enacted by California law, and replaces our Motor vehicle in-lieu payments. **Fines and Forfeitures** generate 6% of our general-purpose revenue, and **Intergovernmental** revenue 6%, which includes Federal and State payments, homeowner's exemption payments and block grants. **Licenses and Permits** at 3% includes fees established for services provided by the county. **All Other** miscellaneous revenue represents 2% of the total. **Revenue from Money and Property** represents less than 1% and consists of Franchise fees and Interest income.

**DESCRIPTION:**

The Sheriff's budget provides police protection for all citizens of Glenn County. While its primary function is to respond to calls for service and the investigation of crime in the unincorporated area of the County, the Sheriff must and does respond to requests for assistance from all other law enforcement agencies within the County.

An effective law enforcement agency not only has a direct effect on the citizens residing within its jurisdiction, but also affects the economic base of the area. Without an acceptable crime rate, economic development and growth cannot be expected. Movement of businesses and families into an area certainly cannot be a given, if there is not adequate police protection. Some of the divergent functions of the Sheriff's Department have been given their own budgets although the main administrative and operational functions of law enforcement for the County fall under Sheriff's budget unit.

**DESCRIPTION:**

The Sheriff's Dispatch unit serves as the only 24/7 law enforcement dispatching service for the entire county. Emergency Dispatchers receive thousands of emergency and non-emergency calls for service from citizens in the unincorporated county and both incorporated cities. It is the sole full time Public Service Answering Point, the point where Emergency Enhanced 9-1-1 calls are received, for Glenn County. In addition to dispatching duties it is the countywide warrant repository, managing over 5,000 active warrants. It also is the main switch to the State Department of Justice which allows criminal justice agencies access to state criminal justice systems. The Emergency Communications Center prides itself on providing a safety net for citizens and officers alike and endeavors to serve the public in all aspects of public safety. All E9-1-1 calls for law enforcement as well as Emergency Services, medical, and fire services are properly routed through the Center. The countywide reverse 9-1-1 system is housed within the center for 24-hour deployment if needed. In an emergency the Center has the ability to assume fire department dispatching and assistance. After hours call taking is provided for allied county and state agencies.

**DESCRIPTION:**

The Jail budget provides for the care, custody and protection of inmates housed in the Glenn County Adult Detention Facility. Title 15 of the California Code of Regulations governs the operations and policies of this division. The facility must also meet the standards of the Glenn County Health Department and the State Fire Marshal. In order to comply with these numerous requirements the jail must provide among many other things living space of a specific square footage per prisoner, meals that meet stringent nutritional standards, transportation to medical and dental appointments, various court appearances and medical roll call and treatment.

Due to its inherent nature the Jail had no significant source of revenue except for the housing of inmates from other counties or State paroles.

**DESCRIPTION:**

Glenn County maintains 862,190 miles of county roads of which approximately 700 miles are paved, numerous storm drainage ditches and culverts, over 200 bridges, traffic control systems and a fleet of heavy construction equipment. Primary funding for the maintenance of Glenn County roads is based on State Highway Users Fees (gas tax) that is distributed to Counties based on a formula of Maintained Road Mileage and the number of registered vehicles in the County. Other funding sources include Federal Forest Reserve timber receipts divided equally between County Schools and Roads, Federal ISTEA funds exchanged with the State of California based on a formula established in 1991, sales tax on fuel (AB2929/Prop 42), State Transportation Improvement Plan-STIP funding for road rehabilitation or road maintenance projects with a 10-year life cycle. No general fund money is used in maintaining Glenn County Roads.

Effective fiscal year 2011/12 the State of California realigned funding for Health and Human Services programs with the passage of AB118 legislation. A Local Revenue Fund 2011 was created to track vehicle license fee and sales tax revenues for each of the specific programs. Revenue is initially recorded in the special revenue fund and then transferred to cover expenses in the Health and Human Services operating programs.

Glenn County Health Services Agency is part of a "Joint Powers Authority" consisting at this time of nine counties. The JPA was formed so that the nine counties could partner in the implementation and maintenance of a Behavioral Health software system. Due to the complexity of Medi-Cal and Medicare laws and regulations, the ever changing programs and data reporting requirement to the state, it has been advantageous for Glenn County to partner with other small counties and share the expenses and expertise this agreement provides. Glenn County Treasurer is the Treasurer of the JPA and therefore all revenue and expenditures flow through this budget. The Health Services Agency Director is the Chair of the JPA.

The Social Services division continues to meet the challenge of providing administration for a wide variety of mandated programs. These programs impact many citizens within the county with emphasis on the most vulnerable – children and the elderly. Whether it is the handling of reports of abuse, neglect, exploitation of children or dependent adults, providing in-home support for adults (enabling them to stay in their homes), qualifying children for medical care or offering direct cash aid, the division’s administrative case worker team provides a vital public service.

The IHSS program provides a cost effective alternative for adults with medical challenges who would otherwise be forced from their homes into institutional facilities. The local share of this program has held steady as compared against last fiscal year. This cost stability has been achieved as a result of qualifying a larger portion of the caseload for federal funding.

The CalWorks assistance program provides income support to needy households with children. Program requirements are set forth by both the federal and state government. Funding for this program is based on caseload. The budget reflects the same proposed expenditure level for this activity that was budgeted in the previous fiscal year. Although great efforts have been made in moving CalWorks recipients to employment, current economic factors may result in an increased caseload.

**DESCRIPTION:**

Foster Care assistance is a highly volatile program with regard to costs. One child needing a “high-level” group home placement can adversely fiscally impact this program. The program is governed by caseload and associated federal and state regulations.

The general fund contribution for this program has decreased over the years. Although the Human Resource Agency continues to be actively involved in exploring and implementing avenues to hold these costs steady over the coming years, there are a rising number of parents who fall above the Federal income thresholds, resulting in a decrease of Federal Foster Care reimbursement. The net result of this trend is that the County is now responsible for approximately 40% of the overall cost of Foster Care.

**DESCRIPTION:**

The creation of the Human Resource Agency as a consolidation of the County Social Services Department and the Community Action Agency continues to be a viable and appropriate approach to meeting the needs of the residents of the county. HRA was specifically created to address revenue and expenditure activities that are common to both divisions, creating an administrative umbrella that function very well for the provision of social and self-sufficiency services. HRA draws all revenue from the two divisions. Expenditures are split between the two divisions based on agreed upon allocations and methodologies such as time studies, square footage, etc. Overhead allocations for Willows and Orland were split to reflect separate allocation methodologies specific to each site. No fixed assets are purchased through the HRA budget unit.

**DESCRIPTION:**

The waste disposal enterprise fund is an enterprise accounting fund set up for the operation and maintenance of the County Solid Waste Landfill operated by the Glenn County Planning & Public Works Agency. Enterprise funds account for operations providing goods and/or services to the general public on a continuing basis that are financed and operated in a manner similar to private enterprises with the intent to recover all costs through user charges. A significant portion of the costs associated with the operation of the landfill disposal site is the mandated federal, state and local reporting requirements. Recycling, Diversion and many other aspects of the operation are unfunded mandates which staff seeks grants and other sources of revenue to support. The landfill site, located at the west end of County Road 33 near Artois is the only waste disposal site in Glenn County. As such staff is dedicated to finding ways to extend the life of the site.

**DESCRIPTION:**

The Solid Waste Closure Fund, mandated by California Integrated Waste Management, a branch of California Environmental Protection Agency, is a reserve established to accrue funds for the closure costs of the disposal site. Funds generated by the Waste Disposal Enterprise Fund are transferred annually in to the Solid Waste Closure Fund. The amount to be transferred each year is calculated according to many various factors, one of which is the expected life of the site. There are many unknowns associated with the closure of the site due to changing mandates issued by those state and federal agencies with jurisdiction over the way waste is disposed.

**DESCRIPTION:**

The airport receives revenue from the sale of fuel, rental of hangars, leasing of airport property and leasing of industrial park property. The airport also receives an annual \$10,000 grant from the State of California. These funds may be used for airport operational expenses.

The County may apply for Federal Aviation Administration (FAA) grants for airport construction projects. These projects require a match of 10%. A local agency may apply for a state-matching grant to provide 4.5% of the project's costs and the local agency pays the remaining 5.5%. The local agency may also apply for a state-matching loan for the 5.5%. The State provides grant money for airport capital projects with 10% match. The State grant does not have the same requirements as a federal grant. The State also provides grants for acquisition and development and loans for airport projects, such as fueling systems, at low interest rates.

Glenn County Planning and Public Works Agency maintains a storm drainage system located within the boundaries of the City of Willows and the County of Glenn. The system consists of a retention basin, various levees, drainage channels and ditches, pipelines, pumping stations and other related storm drainage items. Revenues to operate the district are derived from property taxes and special assessments for areas within the district that receive direct benefit. An advisory committee is in place to advise the Board of Supervisors as to system efficiencies and upgrades.

During the storm season of October through April of every year Road Department staff operates, inspects and monitors the drainage system of the district. The system is monitored and adjusted as needed for maximum efficiency with staff available on a standby basis for emergencies that may occur.
