## Message

**Taken By:** Fatuma Yusuf

**Subject:** School bus routes

I was told that Paul Lopez, the Director of Maintenance & Transportation, was the person to talk to but that he was, however, out of at that time. The receptionist told me that she would have him call me when he returns.

Paul Lopez called me back the same day and left me a vm message. He left me his cell phone # and asked that I call him back on that number.

3/10/11 – Got through to Paul. He told me that the school district has 3 routes. He asked that he email him with my request and he'll then email the map to me. His email address: [PaulLopez@glenncoe.org](mailto:PaulLopez@glenncoe.org). I emailed Paul immediately and he faxed the map to me the next day.

Hi Paul,

Per our recent phone conversation, here's my email requesting the school bus routes for your school district. As I mentioned to you, I'm working on a CA Dept. of Water Resources (DWR) project and as part of that project we've been asked by DWR to request school bus routes from school districts in Glenn County. Please either email or fax the routes for the three schools you mentioned, showing the names of the roads, as soon as you are able to. Please don't hesitate to call me on my cell (today) or at the office if you have any questions.

Thanks,

***Fatuma Yusuf***
