Hi Jim,

Per our phone conversation here's my request for the map that shows the school bus routes for your school district. Please note that I need to provide this information to the project developers and/or engineers so that they are made aware of routes currently used by the community.

Thanks,

Fatuma Yusuf

I talked to Jim Scribner (Superintendent/Principal) who asked that I send him an email which he'll then reply to with a map of the bus routes used by the district. I sent him the email shortly after getting off the phone with him.

3/4/11 – Called Jim again and when I didn't get him I decided to try School Secretary. Kathy Worthley, the School Secretary told me that that he was out all day at meetings in Chico. I said I would contact him on Monday.

3/9/11 – called again to follow up on email sent. Spoke to Kathy who asked for my email and fax and said that she'd give them to Jim. I informed her that Jim already had my email. She said she would fax the map to me.

3/10/11 – called the office and spoke to Heidi who took a message for Kathy informing her that I hadn't received the fax. I also confirmed that I had the correct email address for Jim Scribner.

3/16/11 – Called and chose Kathy Worthley's extension (21) but got Jim Scribner. He said he would fax the info to me immediately. I reminded him that he also had my email address if he wanted to send the info via email. He emailed me shortly after I got off the phone.
