## About Us

The Glenn County Mosquito & Vector Control District is a special district governed by a 5-member board of trustees that set policy for the District. The main functions of the District are to control the threat of mosquito-borne diseases and to reduce nuisance mosquito populations using sound abatement methods that minimize risk to the environment and the public.

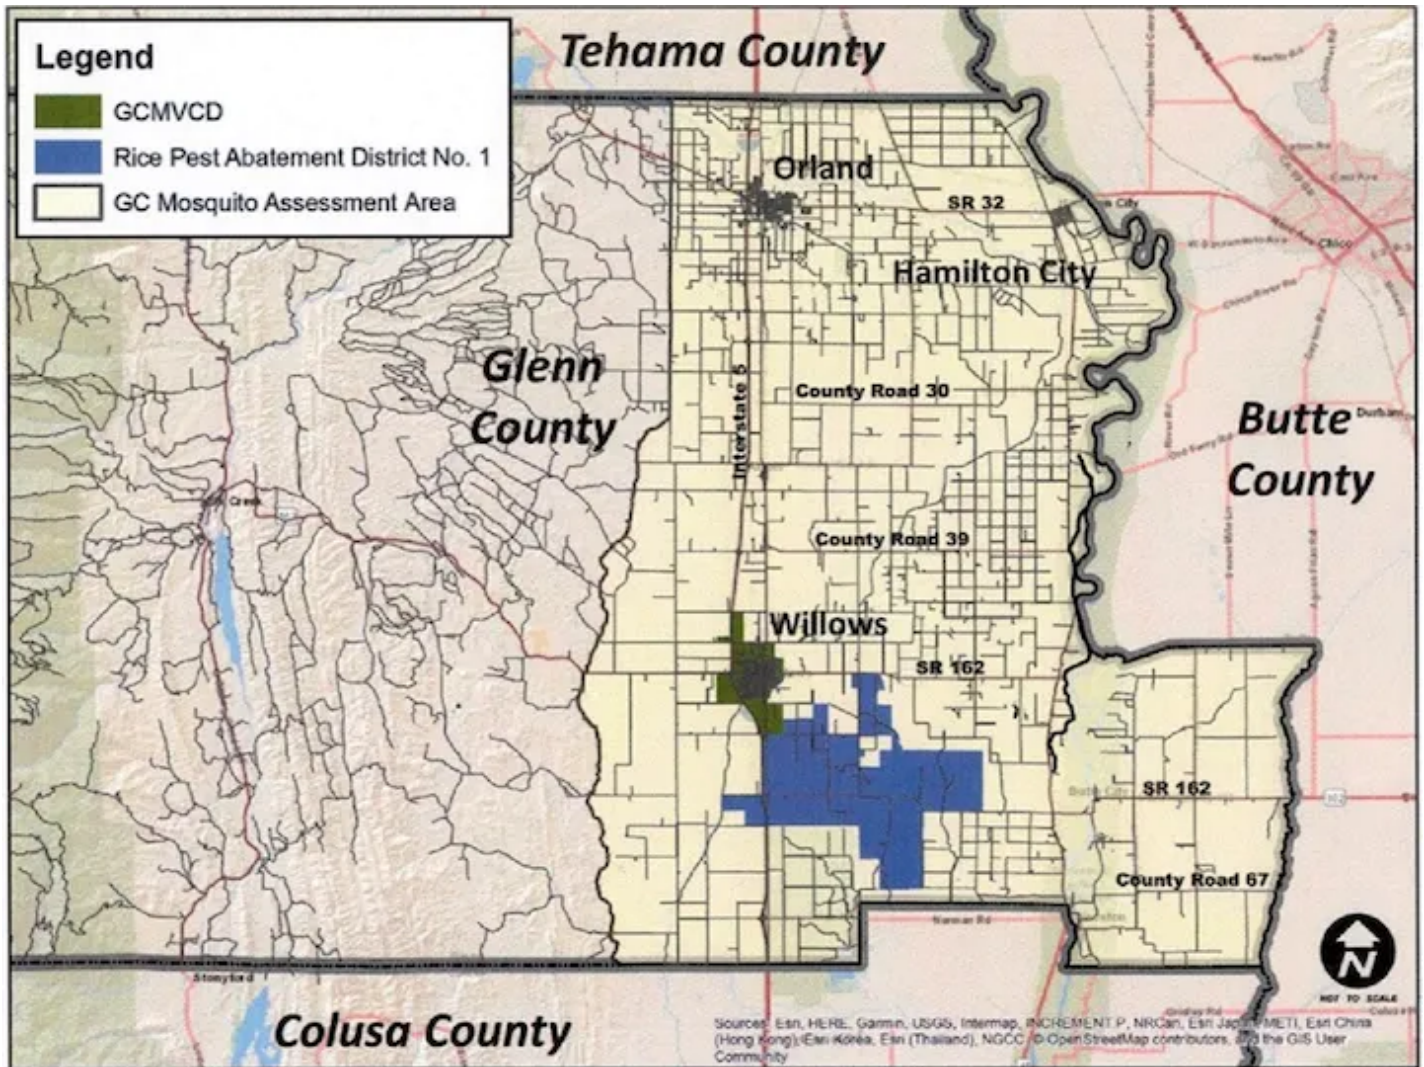

## About The District

The Glenn County Mosquito and Vector Control District (GCMVCD) was formed in 1962 and began operating in 1963. The District Covers 5 square miles that includes the City limits of Willows, North East Willows, and the unincorporated area North of Willows.
