Willows Construction Office

Franks Tract Project

Pursuant to Section 103(f)(1)(C) of Public Law 108-361, CALFED Bay-Delta Authorization Act, the U.S. Department of the Interior, Bureau of Reclamation is evaluating the feasibility of using new facilities and operations in the central region of the Sacramento–San Joaquin River Delta near Franks Tract to improve water quality and fish conditions. Specifically, Reclamation is evaluating the feasibility of these actions in the Franks Tract Project Feasibility Study.
