

County Ag Commissioners' Data Listing

This report, which is published annually, is based on the annual Crop Reports compiled by the California County Agricultural Commissioners. These reports provide the most detailed annual data available on agricultural production by county. County commissioners please reference the [Annual Crop Report Manual \(/Statistics_by_State/California/Publications/AgComm/CCAC_Annual_Crop_Report_Manual_r2012.pdf\)](#) when preparing your county crop report.

As of crop year 2011 the Summary and Data reports are combined into one publication.
