    County: Glenn, Colusa   **City/Community:** Sites, Maxwell

Project Description:

The Sites Project Authority is proposing to construct a new reservoir in Antelope Valley, about 18 miles west of Maxwell in Colusa and Glenn counties. The total construction area of the reservoir and temporary construction disturbance will be approximately 13,710 acres. Numerous other facilities, including an enlargement of Funks Reservoir, construction of a regulating reservoir, a 13.5-mile-long pipeline to the Sacramento River and river intake/discharge facilities are also included in the project, in addition to access roads and transmission lines (see attached map). This area is referred to as the Primary Study Area.
