Hi, Molly

I just resent the files via Hightail. Hopefully your system will allow you to access them.  
Please let me know if you have any problems opening the files.

Thanks

Good Morning Janis,

Can you please resend the files? I believe our IT system blocked them the first time.

Thank you,

Hi, Hazel and Molly

Thank you for meeting with us this afternoon.

I just sent you the information we discussed through a secure file share site called Hightail. If you have difficulty downloading the data, just let me know.

I included the following through Hightail:

- Draft 2013 archaeological survey report
- KMZs:
  - Areas surveyed
  - Archaeological sites (Native American and historic period)
  - Archaeological isolates (Native American and historic period)

I also sent a separate file of the maps from the survey report that show the areas surveyed and the archaeological site locations, so that they are easier to access and review.

I didn't include the KMZs for the project footprint because they are now out dated. We will send the updated files when they are ready. We also have a draft report about the built environment (architectural resources) that are visible from public roads. If you are interested in receiving that,

just let me know and I will send that to you, as well.

Thanks again for meeting with us. Please don't hesitate to reach out if you have any questions, would like additional information, or are interested in a field visit.

Janis
